**Review Report to
The Board of Directors
Bhilwara Green Energy Limited**

1. We have reviewed the accompanying statement of unaudited financial results of Bhilwara Green Energy Limited (the 'Company') for the half year ended September 30, 2018 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/IMD/DF1/69/2016 dated August 10, 2016.
2. The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting (Ind AS 34) prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015 read with SEBI Circular No. CIR/IMD/DF1/69/2016 dated August 10, 2016 is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the applicable Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/IMD/DF1/69/2016 dated August 10, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to note 10 to the Financial Results of the Company, whereas it has been explained that the Company has a trade receivable of 8,357.15 lakhs as at September 30, 2018, on account of supply of energy to Maharashtra State Electricity Distribution Company Limited ("MSEDCL") and which is outstanding since April 2017. The Company has not made any provision in this regard basis the petition filed under section 86 (1) (f) of the Electricity Act, 2003 to Maharashtra Electricity Regulatory Commission (MERC) dated July 27, 2018 to release the amount of Rs. 4,717.14 lakhs out of above mentioned amount which is due and payable to the company by MSEDCL. Our conclusion is not qualified in respect of this matter.
